

What is the BFireSafe@School project about?

This is an ERASMUS+ funded project that has developed a new fire safety education programme for post primary schools in Europe

Erasmus+

Is this programme unique?

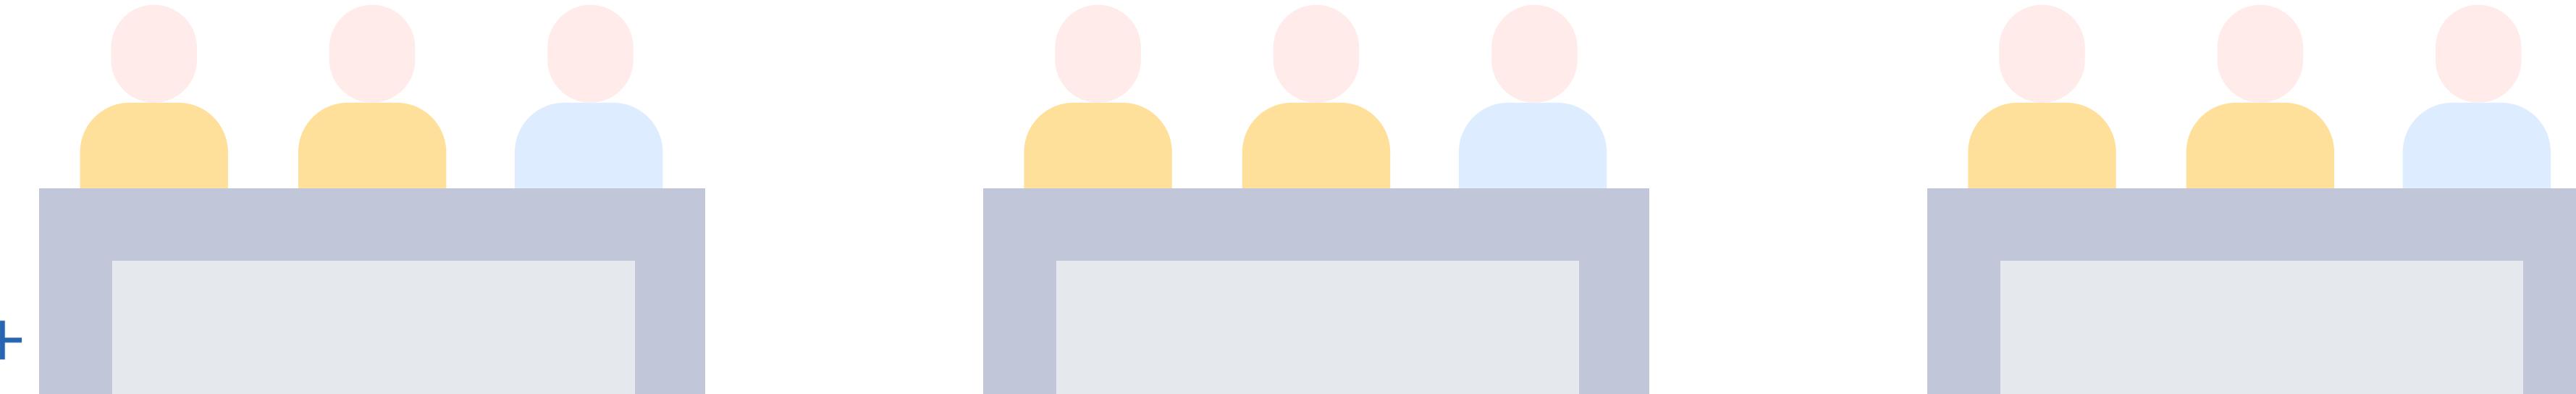

This programme is the first harmonised fire safety programme to be developed for schools across Europe

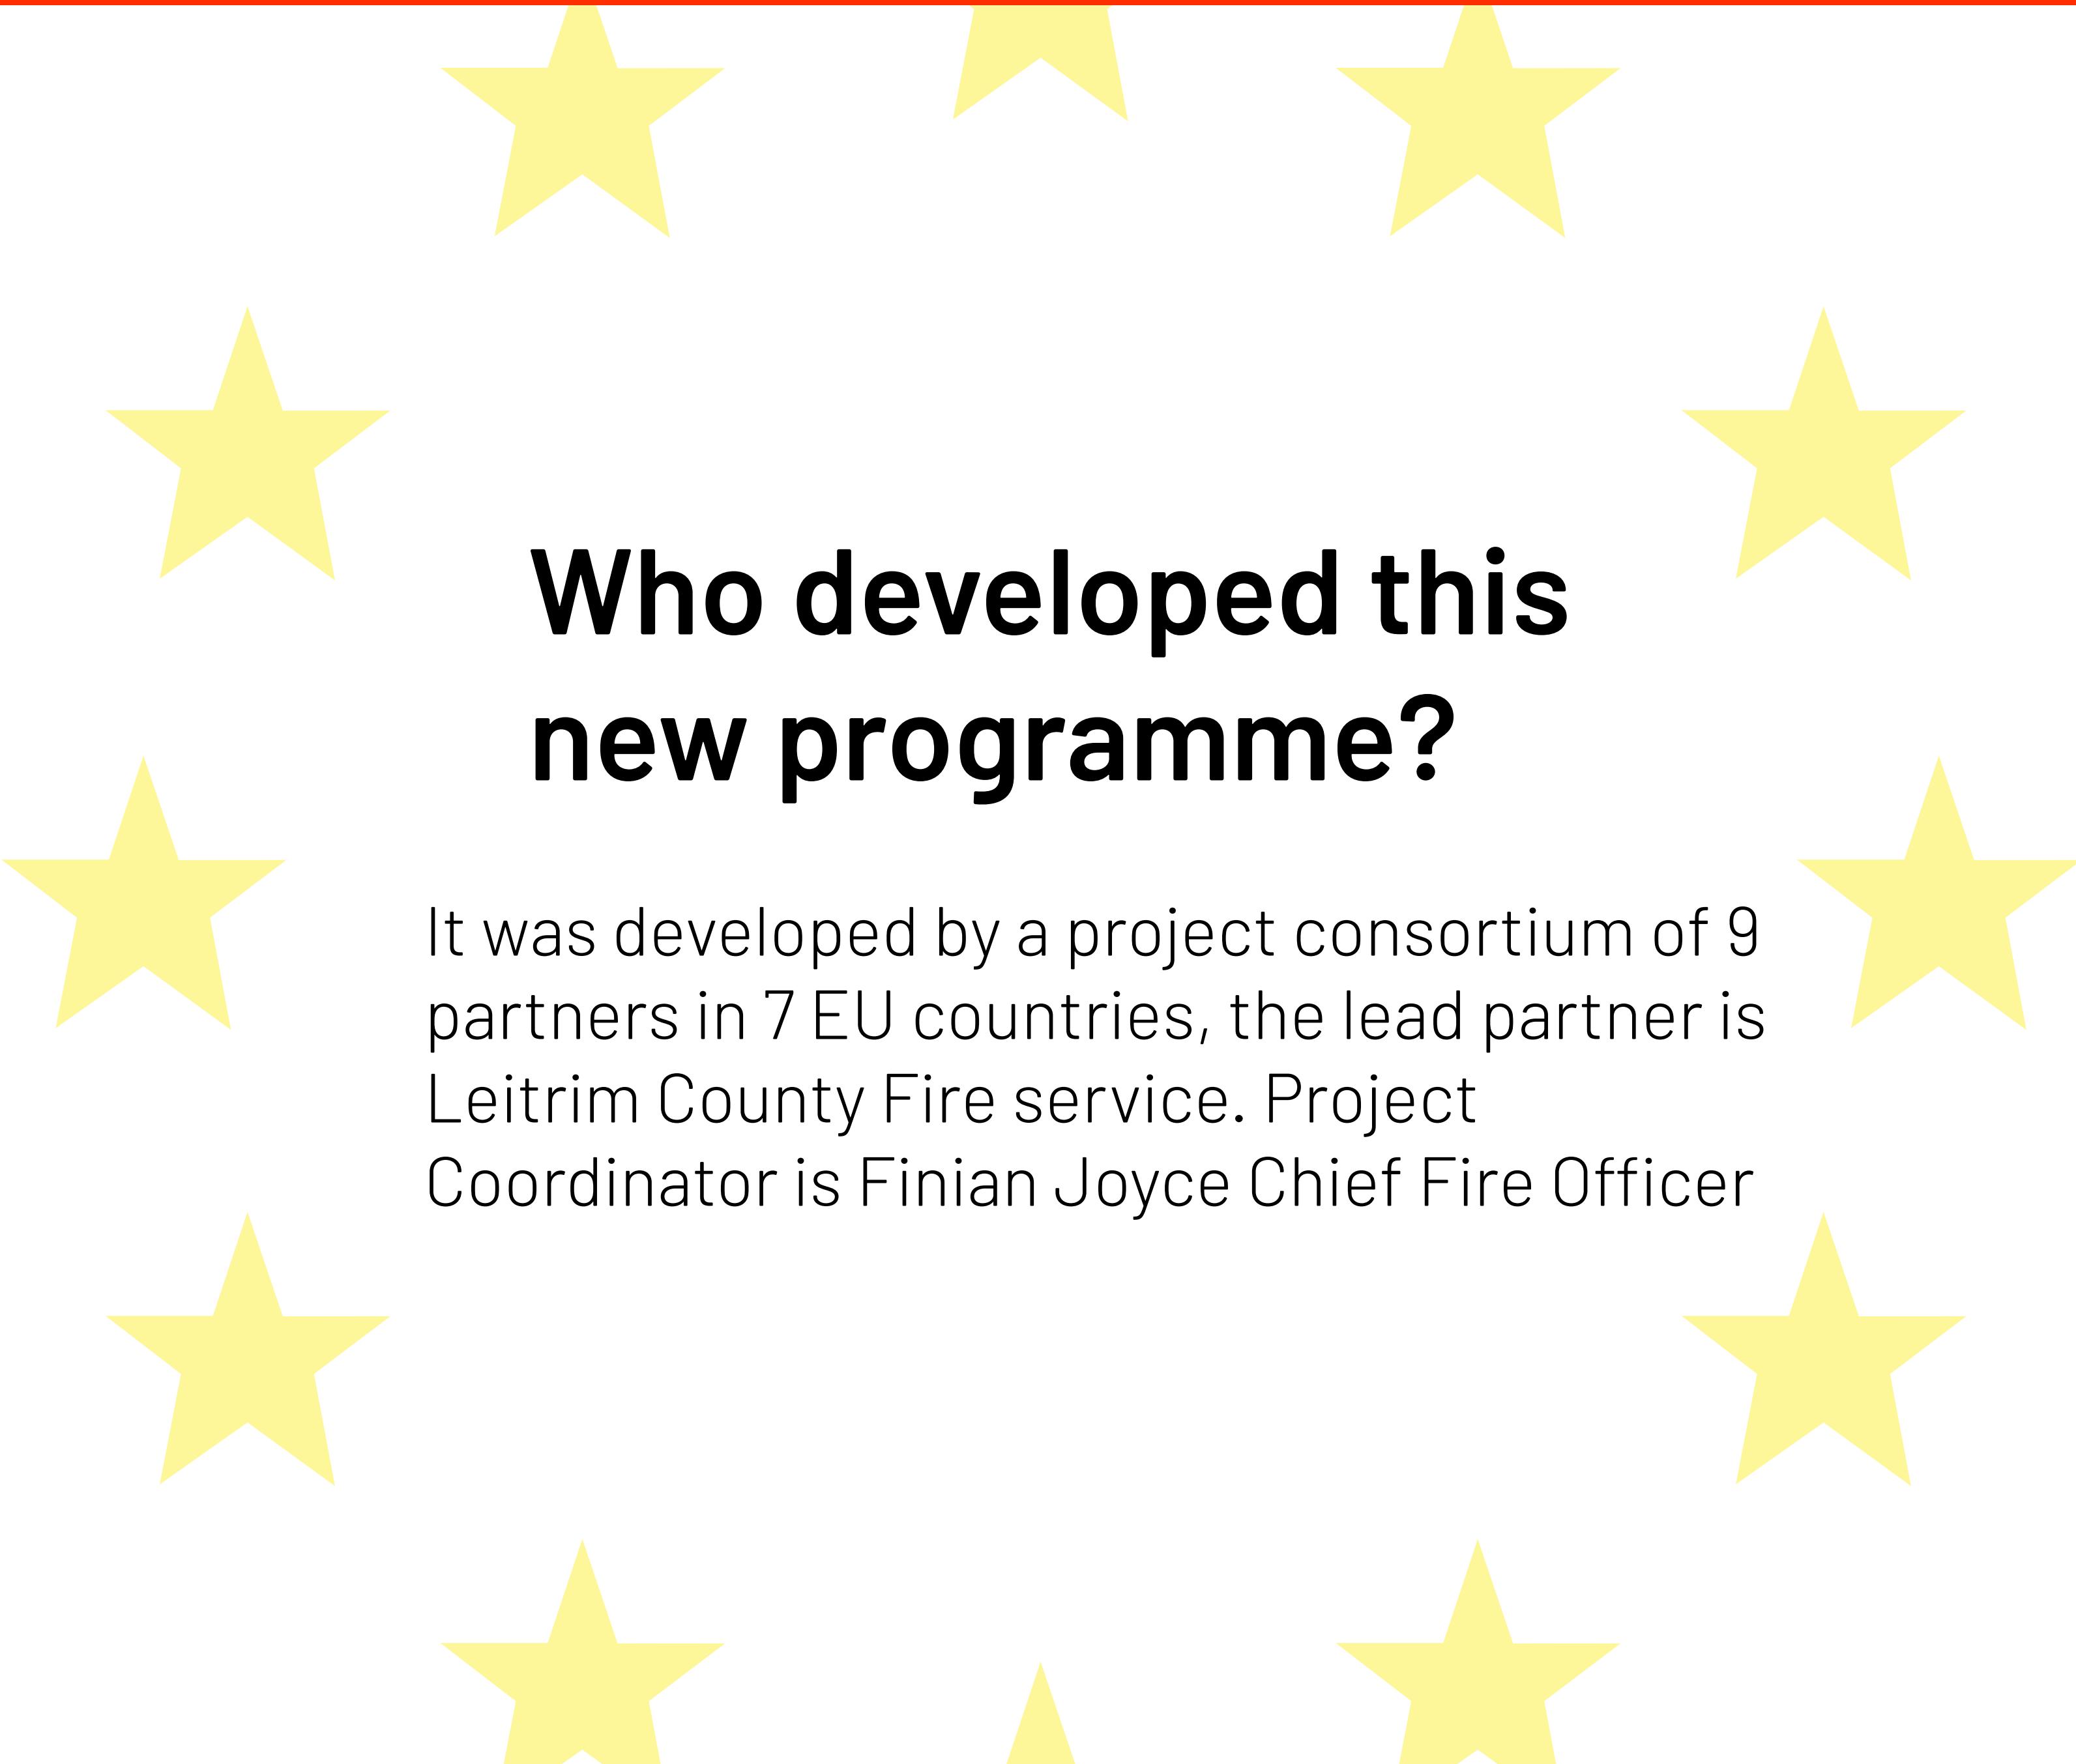

Erasmus+

What age group is it suitable for?

The content is suitable for pupils in post primary schools aged 12 - 18. Some modules are more suitable for 12-15 year olds, some for older students.

Erasmus+

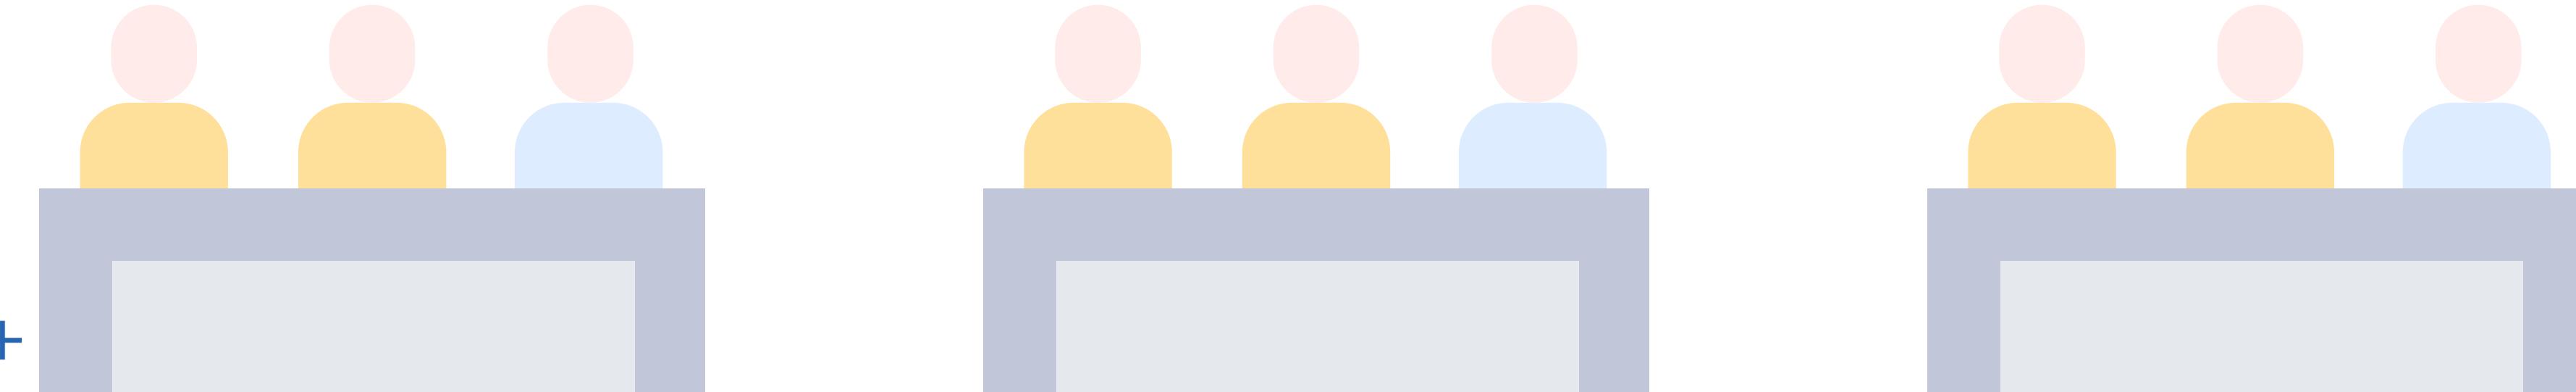

Who developed this new programme?

It was developed by a project consortium of 9 partners in 7 EU countries, the lead partner is Leitrim County Fire service. Project Coordinator is Finian Joyce Chief Fire Officer

How will the programme be delivered?

It is available in a variety of formats. It can be taught as a classroom lesson using powerpoints, video links, online training content and a Learning Management System.

Erasmus+

What is included in the programme?

It is a short course that consists of 10 modules for various age groups suitable for Junior Cycle, Transition Year and Senior Cycle.. It can be integrated into existing subjects on the school curriculum, such as CSPE, Wellbeing, Science and Career guidance.

What are the 10 modules?

- Unit 1 - Managing Myself - the Safe Person Concept
- Unit 2 - Fire Science
- Unit 3 - Fire Safety Indicators
- Unit 4 - Case Studies
- Unit 5 - Calling the emergency services
- Unit 6 - Fire Safety in the Home
- Unit 7 - Fire Safety In School
- Unit 8 - Fire Safety in your Environment
- Unit 9 - Emergency Action Plans
- Unit 10 - Careers in Fire

What other innovations does the programme include?

The new programme contains an Augmented Reality app, science experiments, videos on evacuation, and information on careers in fire.

FireSmartAR

Erasmus+

Who will teach the programme?

The programme will be taught by teachers in class and is available online also. Fire officers may assist the teachers in delivering some of the content in schools

Is this available in other languages?

The programme is available in 10 European languages - English, Irish, Danish, Dutch, Finnish, French, German, Lithuania, Basque and Spanish

<https://lms.bfiresafeatschool.eu>

Who supports this programme?

This programme is supported by Fire and Rescue Services and post primary schools and teachers all over Europe

Was this programme pilot tested?

This programme was pilot tested in 14 post primary schools in Ireland in the autumn of 2019. The pilot test was launched by Govt Minister Eoghan Murphy.

Erasmus+

Where can I find out more information about the programme?

Check out our project website **www.bfiresafeatschool.eu** and social media channels

Erasmus+

On which social media channels is information on the programme available?

www.bfiresafeatschool.eu

@BFireSafeAtSchool

#bfiresafeatschool
